

## BEFORE SCHOOL CARE PROGRAM

There is no supervision on the school grounds before 7:40 a.m.; therefore, children may not be left unattended. Before school care is provided for those families who need supervised care from 7:00 - 7:40 a.m. each school morning.

The daily rate, for this time period or any portion of this time period, will be \$3.50 per student or \$5.00 per family for two or more students. This amount must be paid each day you avail yourself of the program. Occasional use coupons will be available for \$50.00, payable in advance, for 20 visits for one student and \$75.00 for 20 visits for a family.

In the morning, the student must be brought to classrooms 4-A/4-B. Any child who is on the school grounds before 7:40 a.m. will be sent to the Before School Care program and will be charged accordingly.

We appreciate your cooperation in making this program work so that we can continue to provide a safe environment for your children.
